

Sas Bakery Equipments

<https://www.sasequipments.com/>

We are prominent manufacturer, wholesaler and trader of Display Counters, Bakery Equipment, Commercial Kitchen Equipment, bakery equipments manufactures in bangal

About Us

SAS Bakery Equipments was established in the year 1991 as a Sole Proprietorship based business venture at Bengaluru, Karnataka. We are counted among the eminent manufacturer, wholesaler and trader of Display Counters, Bakery Equipment, Commercial Kitchen Equipment, etc. We manufacture these products as per the prescribed industrial guidelines. We concentrate on doing what we are best at and we do it all the way, going beyond just selling world class products, by providing a committed after sales service, across all parts of the country. Our valued clients can avail these products from us in bulk quantities at competitive prices.

Our experienced professionals use quality tested materials and components in product development process, which are sourced from reliable and trusted vendors of the market. These products are acclaimed and demanded by the clients for their superior quality standards and salient features such as excellent performance, smooth operations, easy installations, less maintenance, robust construction, fine finish, corrosion resistance, long service life and abrasion resistance. Our deft team of talented and qualified professionals enables us to meet the diverse demands of different clients. The relentless efforts of our team members have helped us earn a reputable position among clients. Our manufacturing unit is operational with technologically advanced machinery, which help us produce defect free products in large quantities at a fast pace. The...
